Graduate School of Convergence Science and Technology	Master	48	
	Ph.D.	24	

3) International Admissions

(1) SNU accepts international applicants without setting any limit on the

number of students to be admitted.

(2) Admission Criteria

The Admissions Committee considers a number of factors-records of past studies, study plan, personal statement, and letters of recommendation. Other achievement records and specific qualifications such as language proficiency are also taken into consideration. Also, the committee evaluates the level of studies completed, quality of achievement, and characteristics of institutions attended previously. Moreover, the committee assesses the relevance of the applicant's academic goals and preparation for the proposed program of studies. Interviews, examinations, and/or additional documents may be requested if necessary.

4) Undergraduate Transfer

- (1) A college graduate can be admitted as a junior at SNU.
- (2) The Number of Admissions: 156 or less (Military commissioned students are selected within a separate quota.)
- (3) Admission Process: Each college or department selects transfer students on the basis of the applicants' previous academic achievements.
